The VP of Marketing for *Fig and Olive*, Dahlia Marcano, has signed the location agreement as well as a Newport Beach Permission Slip. As discussed yesterday we can avoid long walk ups and monument signage. We would love to shoot an exterior shot of just the Fig & Olive building and were wondering if since *Fig & Olive* was a little more detached from Fashion Island if we could get a head to toe shot of our ladies taking a short walk into the restaurant with one camera operator from outside? We can make sure to avoid any signage. Let me know if this is approved.

You are approved. As a reminder, (even though you stated it) you can only film them walking into just to be able to capture the doors/FIG & OLIVE entrance/sign (sense of place). No walk ups/valet shots etc. I will send an entry permit tomorrow.

Happy Valentine's Day!

The VP of Marketing for *Fig and Olive*, Dahlia Marcano, has signed the location agreement as well as a Newport Beach Permission Slip. As discussed yesterday we can avoid long walk ups and monument signage. We would love to shoot an exterior shot of just the Fig & Olive building and were wondering if since *Fig & Olive* was a little more detached from Fashion Island if we could get a head to toe shot of our ladies taking a short walk into the restaurant with one camera operator from outside? We can make sure to avoid any signage. Let me know if this is approved.
